

## **Assessor and Verifier Qualifications – A and V Units**

### **What are the qualifications about?**

The Award in Assessing Candidates (Assessor and Verifier Awards) is designed for people who want to assess NVQ/SVQ candidates.

You'll gain the skills needed for collecting and judging evidence of competence. You can choose to specialise in:

- assessing candidates using a range of methods
  - assessing candidates' performance through observation
  - conducting internal quality assurance of the assessment process.
- Each route focuses on different aspects of undertaking assessments.

### **Who are they for?**

The Award in Assessing Candidates (Assessor and Verifier Awards) is for people with specialist skills who want to assess candidates undertaking NVQs or SVQs in their particular specialism.
