

Skills for Life

What are the qualifications about?

An Award in Literacy or Numeracy at level 1 or 2 is set at the general equivalent of GCSE grades A to C at level 2 and GCSE grade D at level 1. It refreshes the learners' ability to read, write and speak English and to use mathematics at a level necessary to function and progress at work and society in general. On completion the learner will receive a certificate in Adult Literacy or Numeracy from the awarding body Edexcel.

Who are they for?

They are for anyone, 18 or over, who feels they don't already have these skills. They can also be used by a learner to ensure he is at the required standard to be able to achieve a vocational award at these levels.

These awards are delivered at no cost to the learner.
